

UNIVERSIDAD CENTRAL DEL ECUADOR

JORDY CHAMBA

TALLER2

https://github.com/JordyChamba/pw_u1_jc/commit/29bf08cd0dbd333f6b60e746ded9bb35b147e1c8

The screenshot displays a web browser on the left and a code editor on the right. The browser shows a web application with a navigation menu (Compras, Ventas, Compras, Inventario), a table of users, and a form for adding a new user. The table has columns for ID, Name, Surname, CI, Gender, and Action. The form includes fields for Name, Surname, CI, Gender, Password, Date of birth, and Age, along with 'Guardar' and 'Aceptar' buttons. Below the form is a video player showing a dog. The code editor on the right shows the HTML code for the page, including a table for the user list and a form for adding a new user. The code is written in HTML5 and includes comments in Spanish.

#	Nombre	Apellido	CI	Genero	Acción
1	Jordy	Chamba	1725322281	Masculino	Editar
2	Kevin	Andrade	0568745268	Masculino	Editar
